BULLITT COUNTY VACCINATION LOCATIONS

"A Shot of Hope"

Please be advised, the health department does not have specifics on the vaccination process at other locations. These locations are not guaranteed to have vaccines available at all times and may run out quickly when vaccines are received.

We encourage you to visit each location's Facebook/website for updates and phases.

You may also visit <https://vaccinefinder.org/search/> to search by your zip code for vaccination locations near you.

In addition, visit <https://govstatus.egov.com/kentucky-vaccine-map> for more information on vaccination locations.
